

Cerakote™

CERAMIC COATINGS

Firearm Coatings Training

The Firearm training course is a single training (one participant per date) which takes one and a half day. Half of the first day and a bit of the second will be taken for theory (as example product knowledge & processing, advertising), the rest will be used for practical training.

Benefits for you, next to the certificate and the knowledge of the product use:

- Discount on firearm color orders - 10% on Tester/Pint/Quart and 5% on Gallon
- A listing on the Cerakote US & Europe website as an certified applicator
- Cerakote logo files to use for your advertising
- The ability to order personalized print flyer for your advertisement
- Area Protection as certified applicator (it is within 25-50km, depending on the metropolitan area, as long as you are active regular customer)

The course fee is 1.250,00 EUR net and must be paid 4 weeks before the course starts. Obligated, a deposit of 20% for the appointment booking. Appointments can be made individually. Starting day is usually Wednesday or Thursday.

Training Topics:

- Metal Prep
- Out-gassing
- Racking Techniques
- Coating Selection for various applications
- Basic to advanced ceramic application
- Proper curing techniques and schedules
- Problem solving and troubleshooting defects
- Proper equipment and operation
- Re-works
- Cost analysis
- Marketing
